ATLANTA, GA - This year Penn Fusion is proud to announce that Andrew Rosenbaum has been selected for one of the 32 spots for the generation adidas international A.F.C. Ajax Select Program.

Each year the top adidas youth soccer clubs nationwide have the exclusive opportunity to nominate players and coaches to participate in the [generation adidas international](#) Select program. 96 talented players have been invited to train this August at Real Madrid Foundation, A.F.C. Rosenbaum is 15 years old and plays for Penn Fusion. He has a range of experience, including starting all 8 games with Region 1 ODP in the 2017 MIC Cup in Spain, captaining GPS Bayern national team and scoring 6 goals and 3 assists in the 2016 MIC Cup Tournament in Barcelona, and being selected for the Northern Ireland Super Cup. This year, he also captained his club team that won the Eastern Regional League and went to the semifinal of the US Youth Soccer Region 1 Championships. From the program, he looks forward to meeting great coaches, seeing different styles of play, and developing more areas of his game.
