

US Club has chosen Demosphere as its registration platform provider for 2014-2015 season. Below are Team Manager Instructions for building teams in the Demosphere software in order to obtain US Club player passes and rosters.

These instructions are for GIRLS US Club teams only. Boys teams will be rostered via another platform. For Boys Teams please follow the Boys US Club Registration Instructions.

Detailed instructions can be found in the left side bar under ECNL/NPL User Guide for Demosphere.

1. Prior to beginning, verify that the Penn Fusion administrator has created your team account and activated your team for the 2014.2015 season.
2. You will receive an email from the Penn Fusion Administrator indicating that your team has been activated.
3. Go to <http://www.eliteclubsnationalleague.com> Click on Member Clubs. Click on Penn Fusion.
4. Scroll down to 2014/2015 US Club teams and click on your team name.
5. Click on the team log in and use your email address to log in. Click on Click Here for Demosphere to send you a pin number.
6. Follow directions in the Demosphere Guidelines for uploading photos, birth certificates, etc. US Club teams will find their directions on page 20 of this Guide.
7. Notify the Penn Fusion Administrator when the team is complete.
8. The girls names will not appear on the live site until US Club approves them.
9. Do not forget to upload your own photo!
