

Instructions for Completing EPYSA Registration for Player Passes and Rosters

EPYSA is using Got SPORT as its software platform for generating player passes and rosters for the 2020/2021 season.

GotSPORT is a separate/different system than GotSOCCER. Your current GotSOCCER username and password will NOT work with GotSPORT. Most people will need to create a new account for GotSPORT.

Step 1: Click on the Registration Link. Click on CREATE AN ACCOUNT to begin or log in with an existing Got SPORT username and password.
