

How to Complete ITC Requirement in GotSport

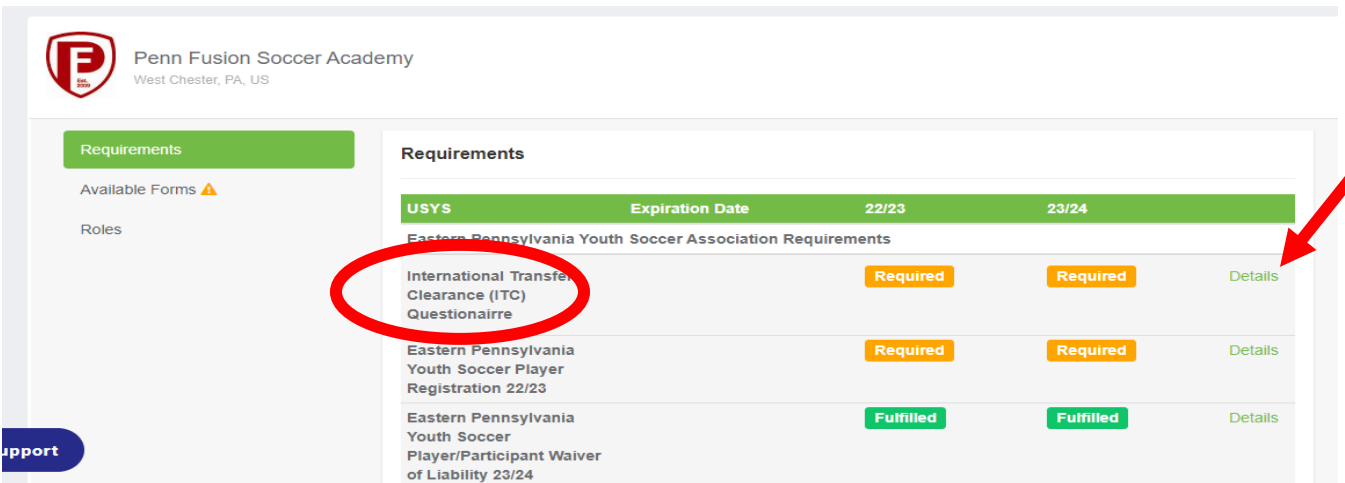

US Soccer and FIFA require every player to complete the International Transfer Clearance Process (ITC) before being rostered for the 23/24 season for all Travel Players. The information gathered is to ensure that all foreign-born players complete all requirements set by FIFA and US Soccer.

ALL PLAYERS ARE REQUIRED TO COMPLETE the ITC requirement in GotSport even if they were born in the US.

If not completed, the player will not be eligible to be placed on a roster.

These steps will help you complete this task. If using your phone to do this please set as full website so that it is easier to navigate the mobile site.

1. Log into your GotSport.com Account
2. From your Dashboard or from Account click on "Family"
3. Select a "Child"
4. From your Child's Account (photo in upper right should now be your child's photo and not yours!) Click on the "Dashboard"
 - A. If your child's photo is NOT showing in the dashboard then you are in the wrong account.
5. Scroll down to Requirements.
